I was notified of a collision when a passing motorist flagged me down at the intersection of 103rd Ave. SE and S. Davies Rd. He did not see the collision.

It appears that the driver of the involved vehicle, Castellano, David A. (DOB 11/22/88) was driving SB on S. Davies Rd, lost control of his vehicle and drove it into a ditch on the east side of the road. There were critical skid marks approximately 35 feet in length that led to tire marks in the grass where the vehicle left the roadway.

The front of the vehicle impacted a tree, cutting the tree in half. The rear end of the vehicle continued to swing toward the passenger side of the car, swinging the car around. The passenger side of the vehicle impacted another tree before the vehicle spun all the way around and came to a stop facing the road. When I arrived David was lying on the ground next to the vehicle and had a bloody nose, but no other apparent injuries. It is unclear whether or not he was ejected from the vehicle. He was breathing, but unresponsive and there was a strong odor of intoxicants coming from his breath.

I removed David's wallet from the back pocket of his jeans so I could identify him. In the wallet I found his identification and also found a receipt from 11/22/15 at 2225 hours for \$74.93 from Razzal's Bar and Grill in Lake Stevens. The wallet and a knife found at the scene were booked for safe keeping at the Lake Stevens Police Department. The receipt was placed in the case jacket along with pictures taken at the scene.

There was also damage to a chainlink fence belonging to Hovland, Myron, the owner of the property located at 1411 S. Davies Rd. that was caused by the collision.
